Experience

Summer 2019 → **PRESENT**

Uber — Product Designer

Summer 2018 → Spring 2019

MongoDB — Brand Designer on Contract

I created web pages, icons, illustrations, and animations for external and internal brands. I researched methods to improve the designer to developer workflow. Previously, I was a Brand Design Apprentice.

Spring 2018 → Spring 2019

The Design Lab — Visual Communications Designer

I worked in Don Norman's design thinking lab, creating visual content such as brochures, logos, and badges. I helped grow the evolving brand.

Summer 2017

Liquidnet | Design Intern

I designed deliverables including event collateral (Liquidnet Summit), prints, posters, sales materials, and email campaigns.

Winter 2017 → Winter 2018

University Centers | Lead Graphic Designer

I designed marketing materials ranging from posters, logos, newsletters, and brochures. I produced 100+ materials quarterly and I led the student graphics team.

Leadership

Spring 2017 → **PRESENT**

Design Co — Advisor

I lead the pre-professional organization in growing a design community for the students, faculty, and alumni at UC San Diego. Previously was Co-President.

Fall 2018

University of California, San Diego — DSGN 1 Instructional Apprentice

I was on the teaching staff for an Intro to Human-Centered Design course. I taught the design process, led studios, and provided project feedback.
