EXPERIENCE

Summer 2018 → Present

MongoDB — Brand Designer (Contract)

I create web pages, icons, illustrations, and animations for both external and internal brands. I research methods to improve the designer to developer workflow. Previously, I was a Brand Design Apprentice.

Spring 2017 → Present

Design at UCSD — Creative Director

I help lead the pre-professional organization in growing a design community for the students at UC San Diego, its faculty, and alumni. Previously, I was Co-President.

Spring 2018 → Present

The Design Lab — Visual Communications Designer

I work in Don Norman's design thinking lab, creating visual content such as brochures, logos, and badges. I help grow the evolving brand.

Fall 2018

DSGN 1 — Instructional Apprentice

I was on the teaching staff for Michael Meyer's Intro to Human-Centered Design course.

Summer 2017

Liquidnet — Design Intern

I design deliverables including event collateral (Liquidnet Summit), prints + posters, sales materials, and email campaigns.
